

# Don't miss the Opportunity for Success in the Next Economy

 **global e|security 2001**  
The Baltimore Technologies Convention

e|security  
from strategy to success

**BALTIMORE**<sup>TM</sup>  
[www.baltimore.com](http://www.baltimore.com)

THE VISION, THE STRATEGIES, THE TECHNOLOGIES  
AND THE EXPERIENCE BEHIND SUCCESSFUL,  
SECURE e|BUSINESS SOLUTIONS.

## convention overview

The Baltimore Technologies Convention - Global e|security 2001 - is the "must attend" event for every business involved in developing systems and solutions for secure e-business.

Organized by Baltimore Technologies, world leaders in e|security, it brings together e|security leaders, experts and professionals to share ideas and experiences, learn and network.

With a program of over 100 speakers and 100 exhibitors, the Convention offers you 3\* days of practical briefings by experienced users, insightful keynotes by industry leaders, workshops, Birds of a Feather sessions, a trade show and social activities, plus an optional pre-Convention day of educational tutorials.

### Essential for:

- > e|business managers
- > e|business strategists
- > IT and IS managers and architects
- > Information security specialists
- > Application developers and programmers

### Key Issues:

- > Update your knowledge of industry developments
- > Understand how e|security enables new business models
- > Learn from other users and implementers
- > Discover the latest products and services on the market
- > Identify new technology trends and ideas
- > Engage with experts and peers from around the world
- > Network and make new contacts

NOVEMBER 11-14, 2001,  
HYATT REGENCY,  
ATLANTA, GA, USA
